Bottle Cap Castanets

Recycle old pieces of cardboard and bottle caps to make a unique musical instrument.

Materials:

- Cardboard
- Scissors
- Bottle Caps (2)
- Pencil
- Ruler
- Markers
- Construction Paper
- White Glue/Hot Glue Gun

This activity is provided to you by:

Step 1:

Using your ruler and pencil, measure out a small rectangle on your piece of cardboard (approx. 1.5 inches by 5 inches). Once measured, cut it out.

Step 2:

Use markers or construction paper to cover both sides of your piece of cardboard in colour.

This activity is provided to you by:

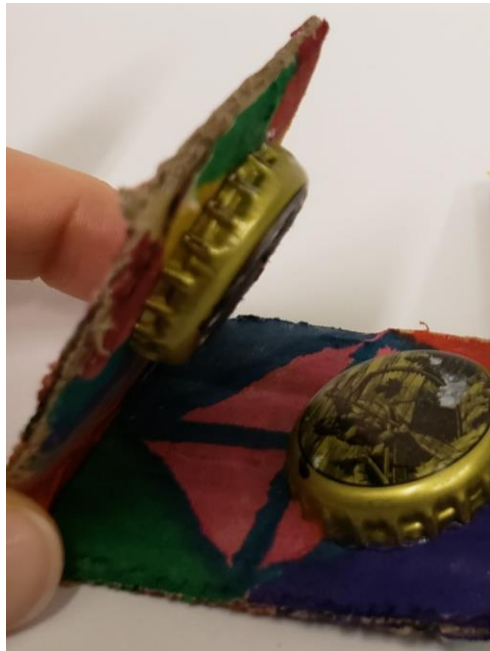

Step 3:

Once covered in colour, fold your piece of cardboard in half.

Step 4:

On the inside of your folded piece, use glue to stick your bottle caps to the top and bottom. Be sure to line them up so when you close the cardboard, they hit one another. Once the glue has dried, you are ready to castanet away!
