

# PAMA @ Home

## Virtual Family Fun Activity

### Geometric Abstract Art

Bring art, culture and historical exploration home with a variety of easy fun filled activities for all ages. Using simple materials, PAMA is happy to provide easy step-by-step instructions for art activities, games or fun things to do while at home.

Share your creations with us on Facebook, Twitter or Instagram and tag us @visitPAMA. All tagged submissions will be entered in a draw to win some PAMA swag.

# Geometric Abstract Art

Keep it simple by using lines and colours to create your own geometric abstract artwork. Mix colours, think outside the box and get creative!

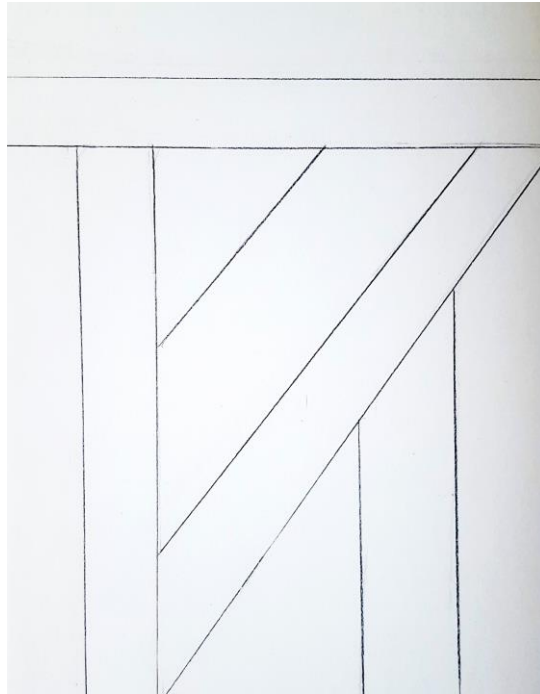

## Markers:

- Cardstock/Canvas
- Pencil
- Ruler
- Acrylic Paint (Markers/Crayons/Pencil Crayons will work too)
- Paint Brushes
- Water Container

This activity is provided to you by:

**Step 1:**

Using a pencil and ruler, create a geometric design on the paper.

**Step 2:**

If painting, to make it easier, use painter's tape to tape-off sections of the painting ensuring a clean edge. The image below is using red painter's tape.

This activity is provided to you by:

**Step 3:**

Paint in the sections that are not covered in tape one at a time. If you are using markers, add a challenge by doing a different pattern in each section.

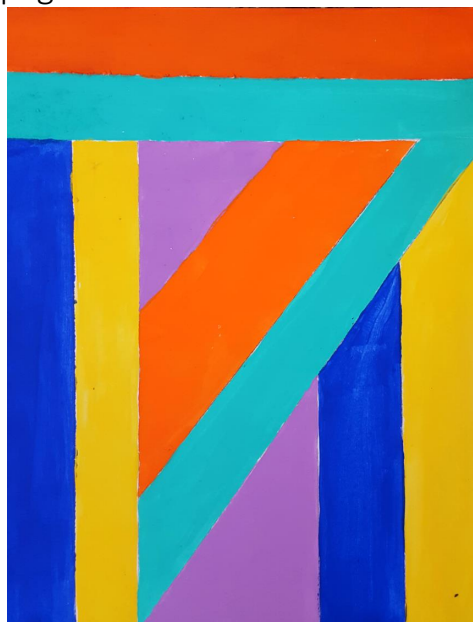

**Step 4:**

Once the paint is dried, gently peel the tape away from the painted area and repeat with another.

**Step 4:**

Continue until the whole page is covered.
