# Family Heritage Mobile

While we are all Canadian, our family roots come from all around the world. As we celebrate Canada, we celebrate who we are as individuals and where we came from.

## Materials:

- Cardstock
- Stencil Template
- Scissors
- Markers
- String
- Hole punch

This activity is provided to you by:

**Step 1:**

Print the maple leaf stencil and use scissors to cut it out. On a piece of cardstock, trace the stencil 4 times.

**Step 2:**

Once traced, use markers to decorate your maple leaves however you would like, then use scissors to cut them out.

**Step 3:**

Fold your maple leaves in half and glue them together so you have a 3-dimensional maple leaf.

**Step 4:**

Using the extra cardstock from around your maple leaves, cut out 4 rectangles of the same size.

**Step 5:**

Use the flags resource at the end of this document and as a reference to select the countries or flags you would like to use to represent yourself. Use markers to decorate the rectangles as the flags.

This activity is provided to you by:

**Step 6:**

Use a hole punch to create small holes in the corner of each of your flags, the corners of your 3-dimensional maple leaf and one at the top.

**Step 7:**

Cut small pieces of string and use them to tie your flags to your maple leaf and one at the top to hang from. With that, your family heritage mobile is complete.
