Slime Monsters

Celebrate Summer while staying at home and get creative with PAMA and a variety of fun-filled activities. Engage with arts, culture and STEAM as you follow along with videos and instructions to create your own unique masterpieces with different themes each week.

Share your creations with us on Facebook, Twitter or Instagram and tag us @visitPAMA. All tagged submissions will be entered in a draw to win some PAMA swag.

Slime Monsters

Get messy and mix your own glitter slime then transform it into a monster creation.

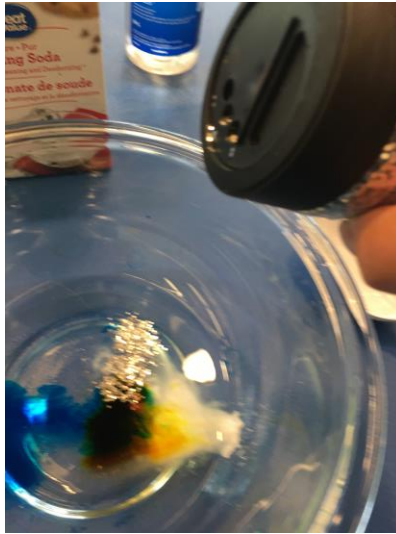

Materials:

- Clear Glue
- Food Colouring
- Glitter
- Baking Soda
- Contact Lens Solution
- Bowl
- Spoon
- Container/Jar
- Googly Eyes
- Construction Paper/Fun Foam
- White Glue
- Pipe Cleaners/Pom Poms

This activity is provided to you by:

Step 1:

Measure out ½ cup of clear glue into a mixing bowl, add 1-2 drops of food colouring, 2 teaspoons of glitter, ½ teaspoon of baking soda and mix until smooth. Then add 1-2 tablespoons of contact lens solution.

Step 2:

Stir then knead the mixture. It should begin to harden, become stringy in texture. Continue to mix until a ball of slime begins to form, then pick the mixture up in your hands and knead until smooth. If the mixture is particularly slimy, add more contact lens solution as needed.

Step 3:

Put your slime into an air-tight container with a lid and use paper/fun foam/pipe cleaner/googly eyes/pom poms to add features to make your monster. Glue your features onto your container and your slime monster is complete.
