

PAMA @ Home Virtual Family Fun Activity Graphic Gradients

Bring art, culture and historical exploration home with a variety of easy fun filled activities for all ages. Using simple materials, PAMA is happy to provide easy step-by-step instructions for art activities, games or fun things to do while at home.

Share your creations with us on Facebook, Twitter or Instagram and tag us @visitPAMA. All tagged submissions will be entered in a draw to win some PAMA swag.

Graphic Gradients

Explore Simon Hughes' masterful approach to colour and particularly in his *Ice Forms* series that are formulated through tonal gradations in blue to white.

Simon Hughes, Canadian (1973-)

From light to dark and every shade in between, you can further your exploration of line, shape and colour as you create your own graphic gradient masterpiece.

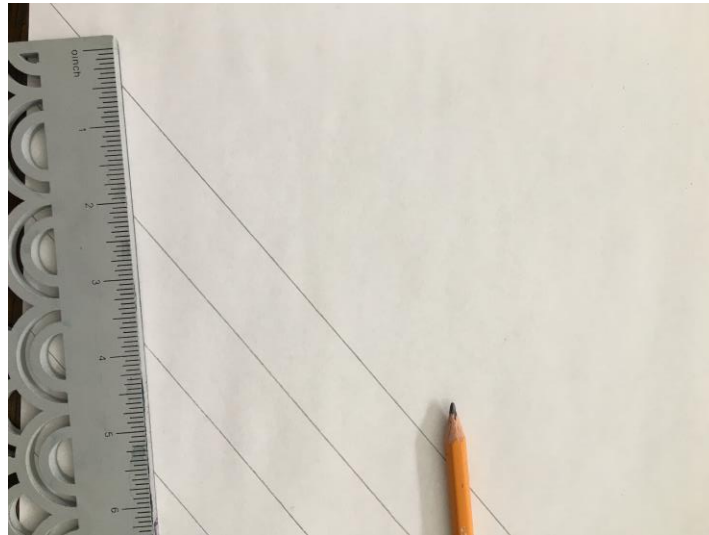

Materials:

- Paper
- Pencil
- Ruler
- Pencil Crayons

This activity is provided to you by:

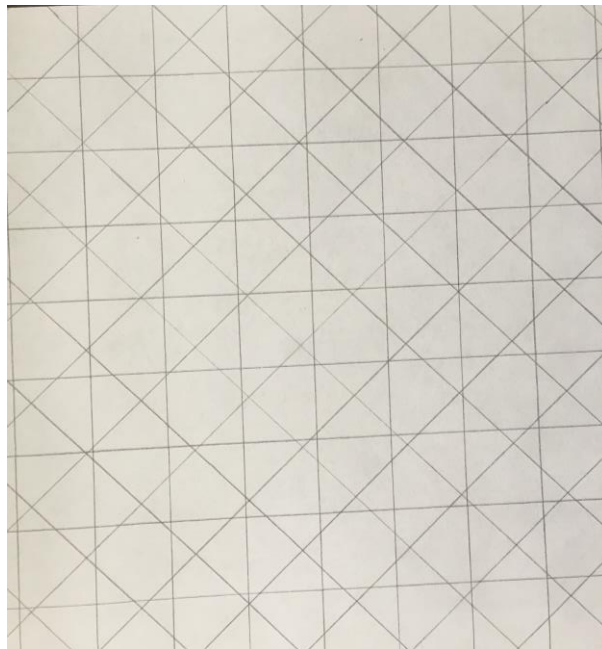

Step 1:

Use your ruler to draw the graphic pattern of your choosing.

Step 2:

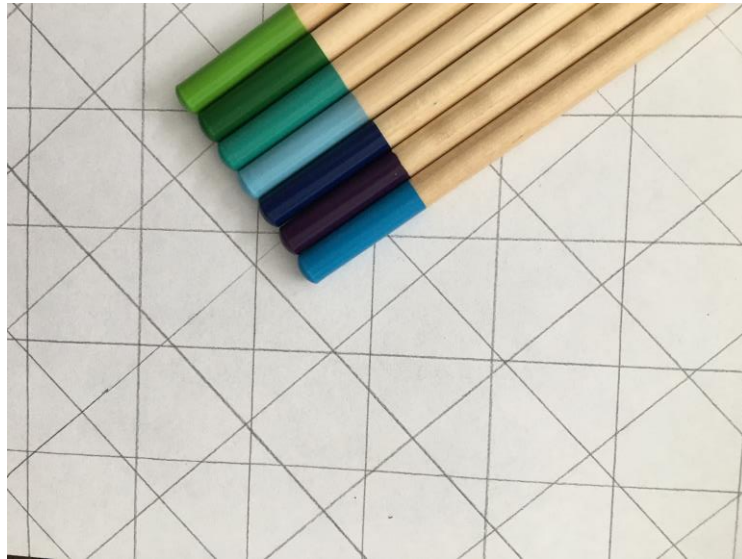

Continue until your whole page is covered with your pattern.

This activity is provided to you by:

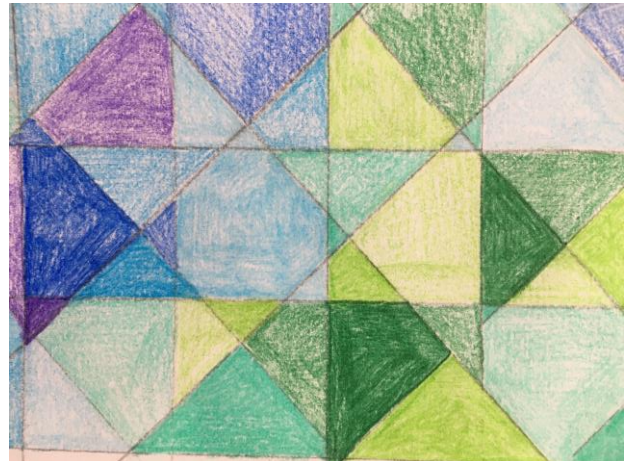

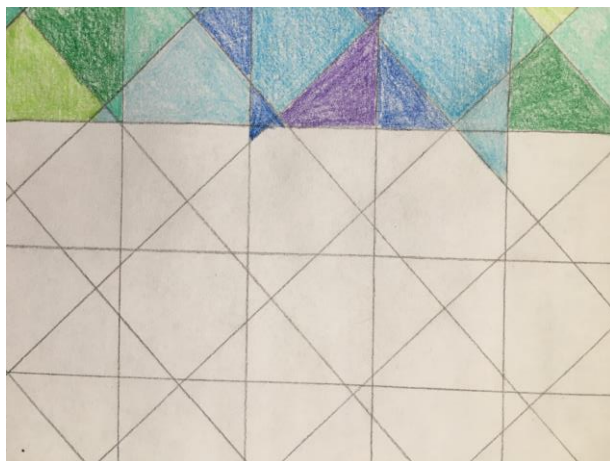

Step 3:

Select the shades of colours that you would like to use. An example would be light green, green, teal, light blue, blue, dark blue and purple. You can use as many or as few colours as you would like.

Step 4:

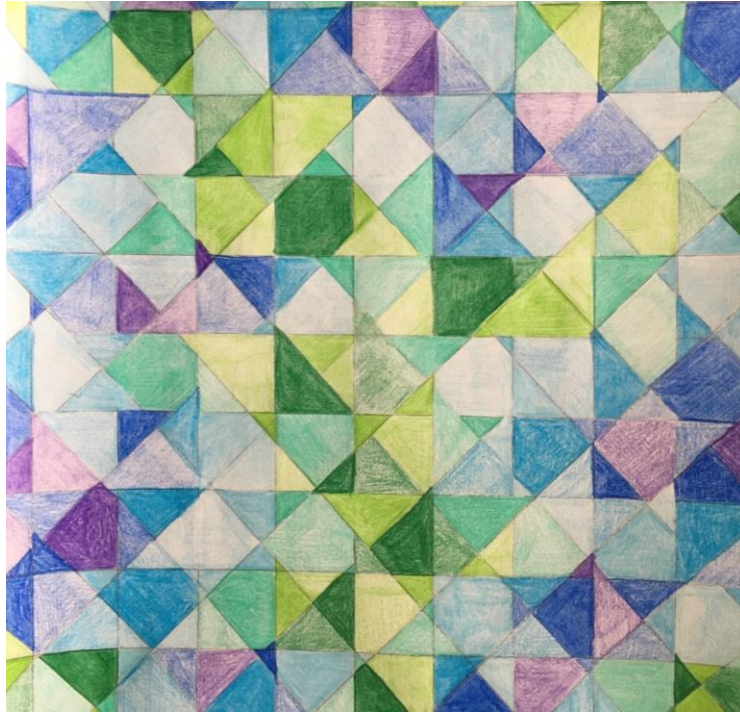

Starting with one end of your colour spectrum, colour-in your graphic pattern. You can press harder to get a darker colour or more lightly to get a lighter version of the same colours.

This activity is provided to you by:

Step 5:

Continue moving through your spectrum of colours and back until your whole sheet is covered with a gradient of colour through your graphic pattern.
