To ensure PAMA’s Outreach Program is a great experience at your school, we would like to request:

- Access to sinks; tables put into groups of 5 or 6 placing newsprint or paper on them to keep them clean.
- A maximum of 30 students can be in one classroom with one PAMA Educator plus the classroom teacher. If there are more than 30 students at one time, we require two rooms and the students divided.
- After you have booked your program, a confirmation letter will be emailed for your records. You will also receive a Teacher Information Package that includes Curriculum Connections, and Pre and Post Activities for your class.
